UNIVERSITY OF NORTH CAROLINA WILMINGTON

MIS419/MIS576 – INFORMATION TECHNOLOGY PROJECT MGT

Exercise #1
MS Project Tutorial #1

For Exercise #1, complete the MS Project Tutorial I which explains how to create a work breakdown structure (WBS). This tutorial can be found in the book or on the student resource website:

http://bcs.wiley.com/he-bcs/Books?action=resource&bcsId=9229&itemId=1118911016&resourceId=36665

Once you have completed the project, upload the project file (.mpp) to Entropy.
