

## Registering into Entropy the First Time and Selecting your Class/Section

1. Follow this link to find the Entropy Grade link: <http://www.csb.uncw.edu> ⌚ faculty directory -> Janicki Web Page -> ENTROPY grades or *Google: type UNCW Entropy click the "I feel lucky" button*
2. Click the link at the bottom that states "**NEW USERS – CLICK HERE**", (if you used Entropy for a previous class at UNCW, enter your 85# & your previously established password, and skip to Step 5). The new user screen appears below:

**Add a new user**

University ID#:

Confirm University ID#:

Desired Email:

University Email: (include @uncw.edu)

First Name:

Last Name:

Clicker ID (6 characters):  (optional)

Password:

Confirm Password:

Clickers are optional, enter the 6 characters from the back of your Turning Point Clicker if one is required for your course.

3. Enter the following data:
  - a. University ID is your 85#
  - b. Desired Email should be the email address you desire to receive class messages such as [xxx@gmail.com](mailto:xxx@gmail.com), [xxx@earthlink.net](mailto:xxx@earthlink.net), [xxx@ec.rr.com](mailto:xxx@ec.rr.com)
  - c. Click Update Profile when done
4. If all data is correct then you will see a message at the top that states all info is correct, and **CLICK HERE TO CONTINUE**

5. In the left menu you will select the “Enroll in a section”, click that link and then select the appropriate class and section and click ENROLL”

### Enroll in an Entropy Course

|                        |         | Section | Days | Time       | Professor | Course Title             |
|------------------------|---------|---------|------|------------|-----------|--------------------------|
| <a href="#">Enroll</a> | MIS 213 | 001     | T/R  | 12:30      | Janicki   | Intro to MIS             |
| <a href="#">Enroll</a> | MIS 213 | 003     | T/F  | 12:30/2:00 | Janicki   | Intro to MIS             |
